

MAXWELL MOOSE'S ACTIVITIES

HELP MAX, UMMA, AND SAM HIKE UP THE MOUNTAIN!

Max, Umma, and Sam are going to their campsite. To get there they must travel up a mountain.

-  Print the gameboard on page 2. It shows 3 paths to the campsite.
-  Now cut out the Max, Umma, and Sam game pieces at the bottom of this page.
-  Listen while someone reads each word in the word bank below. If the word begins with the **m** sound, move Max one space. If the word has the **m** sound in the middle, move Umma one space. If the word ends with the **m** sound, move Sam one space.

Did Max, Umma, and Sam all make it to the campsite? How many words had the **m** sound at the beginning? In the middle? At the end?

Do you think the chums will make s'mores?

magic chum time mountain hummed worm

Maxwell Moose Printable Activity Page 2

For use with HELP MAX,
UMMA, AND SAM HIKE
UP THE MOUNTAIN!

A large activity area featuring three vertical columns of colored circles. The left column has five green circles, the middle column has five yellow circles, and the right column has five orange circles. At the bottom of each column is a circular character illustration with the word "Start" written above it. The left character is a brown moose, the middle is a yellow bear, and the right is a grey dog wearing a red and white striped collar.

MARSHMALLOW WORDS ON A STICK!

-  Print page 4, with a “roasting” stick and seven marshmallows. Each marshmallow has a letter printed on it.
-  Color the **m green**. Color the **vowel a red**. Color the **consonants d, h, n, p, and t black**.
-  Cut out the marshmallows and the stick, cutting along the dotted lines.

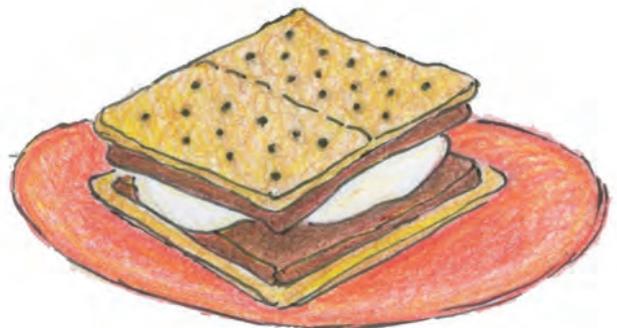

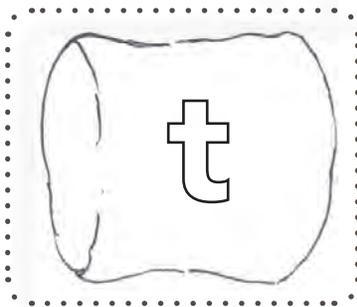

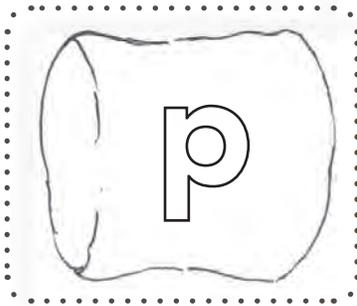

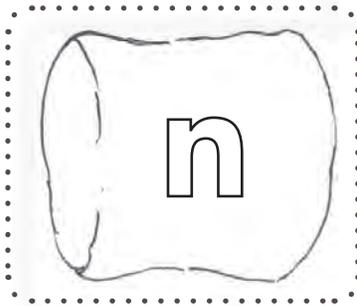

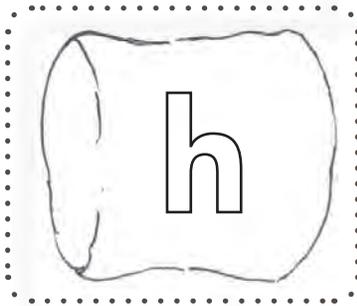

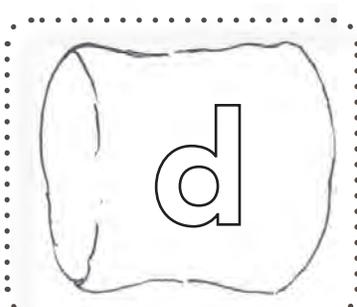

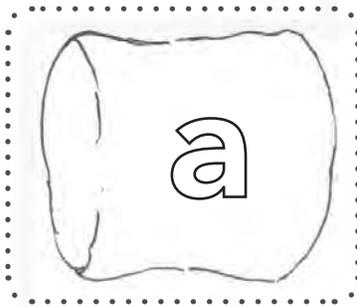

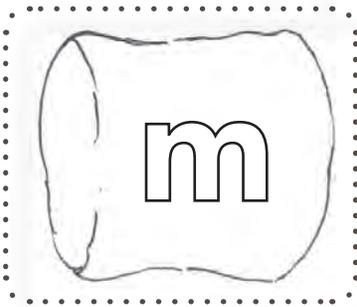

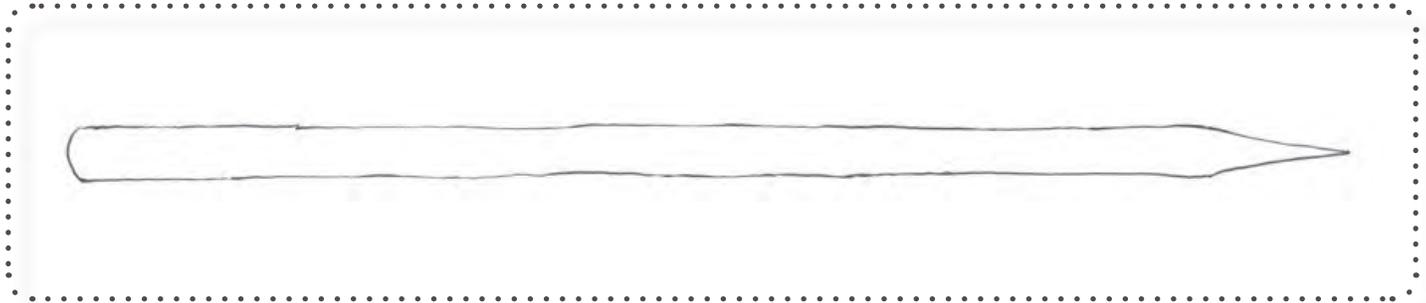

Now you're ready to make some words by putting marshmallows on the stick!

-  First make marshmallow words with the **green m** at the beginning, the **red a** in the middle, and a **black consonant** at the end. Sound out the words. What words did you make? (Possible words: mad, man, map, mat)
-  Now make words with a **black consonant** at the beginning, the **red a** in the middle, and the **green m** at the end. Sound out the words. What words did you make? (Possible words: dam, ham, Pam, tam)

JUST FOR FUN! MY CAMPING STORY

Have you ever gone camping? If you have, draw a picture and then dictate or write a sentence about one thing you did on your camping trip.

If you've never gone camping, draw a picture and then dictate or write a sentence about one thing you would *like* to do on a camping trip.

Hi, kids!

These s'mores are *mmmmm mmmmm* good!
They taste even more amazing when
you share them with chums.

Your pal,
Maxwell Moose

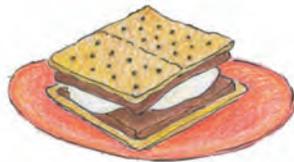

MAXWELL MOOSE'S OVEN-BAKED S'MORES

(Remember! Ask an adult for permission and help before you start.)

Even if you don't have a campfire, you can still make s'mores in the oven!

You will need:

-  4 graham crackers, broken into 8 squares
-  2 bars of milk chocolate (1.55 ounce size)
-  4 large marshmallows

Now you're ready to begin!

Preheat the oven to 350 degrees.

-  Place the 8 graham cracker squares on a baking sheet.
-  On each of the graham crackers, place 1/4 of a plain chocolate bar (break off a row of three rectangles).

 Place a marshmallow on top of **4** of the chocolate-topped crackers.

 Bake squares in the oven for 6–7 minutes, watching carefully!

As soon as the chocolate has begun to melt and the marshmallows have puffed up and are lightly browned, remove the baking sheet from oven. Cool for one minute.

 Carefully press together a marshmallow-topped cracker with a chocolate-topped cracker.

IMPORTANT: Let the s'mores rest until they are cool enough to eat!

You now have 4 delicious s'mores!
Mmmmm!

Be sure to put this recipe in your Animal Antics recipe folder.

NOTE TO PARENT/TEACHER: Make sure children are not allergic to any of the ingredients in this recipe.
