

Piece Out

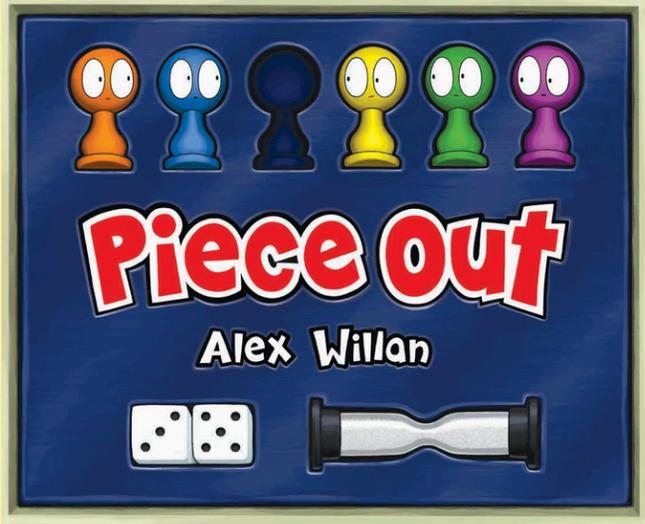

BOARD GAME

Game can be played with 1 or more players.

Roll one dice. The number rolled will be the number of boxes on the game board. Landing on a character moves you ahead to the next character. Landing on an obstacle will move you back to the previous obstacle on the board. The first player to land on Finish wins the game!

GAME PIECES

Choose any of the outlines on the left
to use as your game piece and cut it out.

DICE OUTLINE

Cut out the dice outline below
and use glue to assemble a dice. You can also use
dice that you have from another game board!
