# Make your own happy cat ornament!
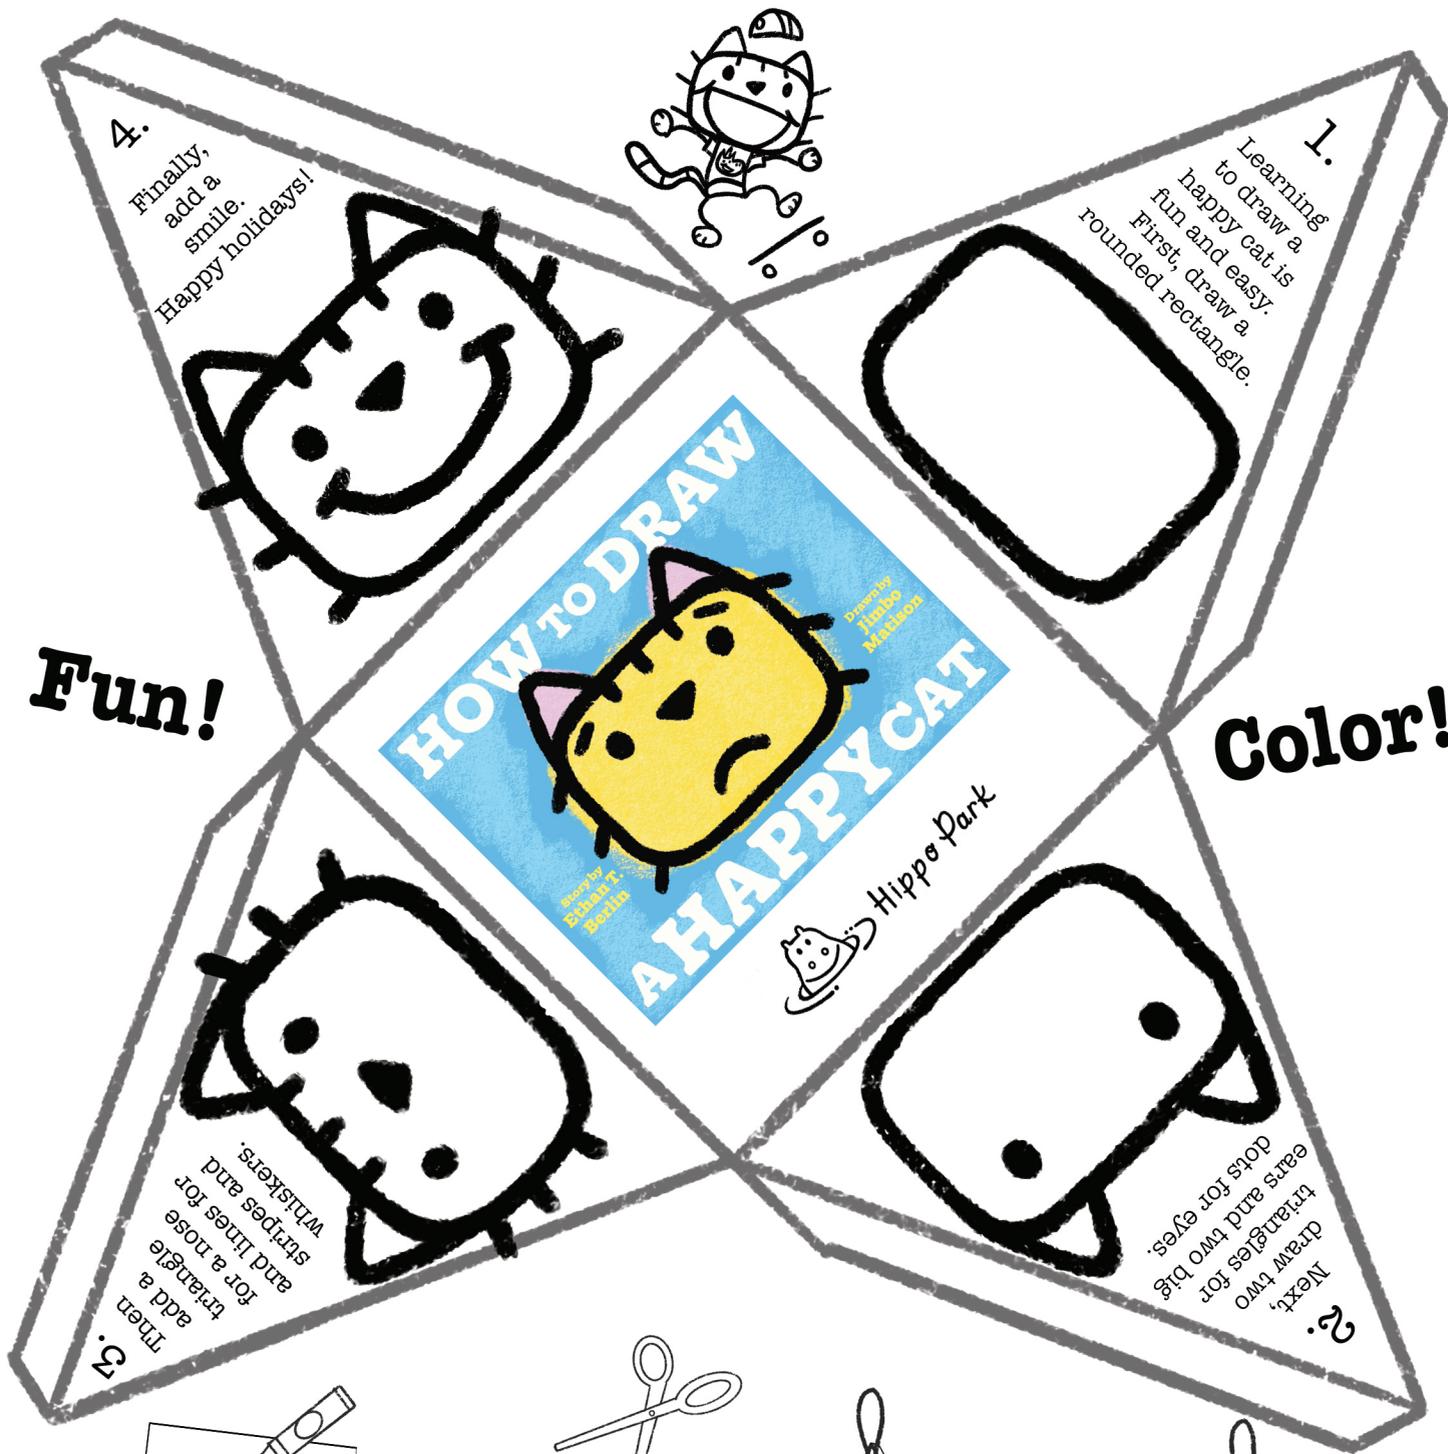

**Fun!**

**Color!**

1. Learning to draw a happy cat is fun and easy. First, draw a rounded rectangle.

2. Next, draw two triangles for ears and two big dots for eyes.

3. Then add a triangle for a nose and lines for stripes and whiskers.

4. Finally, add a smile. Happy holidays!

1. Print and color!

2. Cut it out.

3. Flip cut-out ornament over and glue a small loop of string towards the top of a triangle for placing on tree!

4. Fold triangles up, glue tabs to insides of triangles. Let glue dry and decorate your happy tree!
