

Make your own Van!

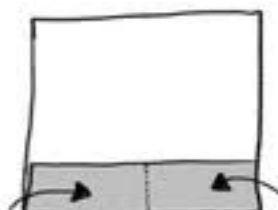

Follow instructions to make a paper van with a **SECRET** compartment.

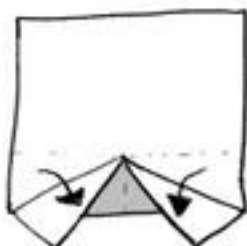

1. Get 1 sheet of paper and fold in half. Unfold.

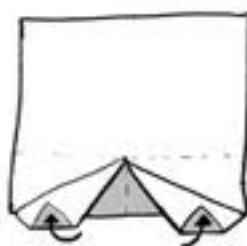

2. Now, fold bottom to the half line.

3. Then fold paper in half just at the dotted line.

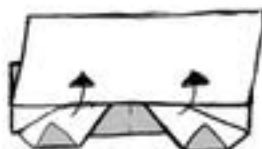

4. Fold the corners down.

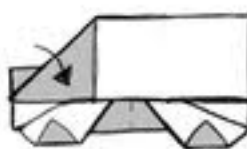

5. Then fold tiny corners up.

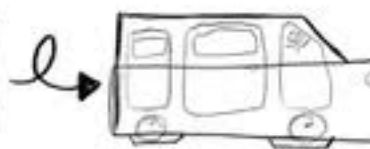

6. Now fold the top all the way down.

7. Then fold paper up just enough so it matches this image.

8. Now fold corner over.

9. And flip it over!!!
Your Van is ready to decorate, and I'll let YOU figure out the secret compartment.
